

Adobe Digital Editions Graphical Download Instructions

Provided by LEAP

STEP ONE - ***DOWNLOAD** Adobe Digital Editions Software (ADE)

If you have never downloaded or used the ADE software, you will need to locate your preferred platform and install.

CLICK HERE or cut and paste this link into your browser window - <http://www.adobe.com/uk/solutions/ebook/digital-editions/download.html>

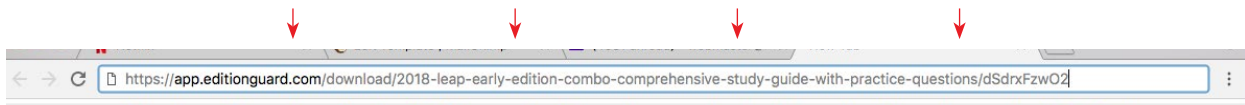

IMPORTANT: To utilize ADE you need an Adobe ID. You can create your free Adobe ID **HERE**. (If you already have an Adobe ID, be sure to use your existing Adobe ID, instead of registering for a new one.)

STEP TWO - *ONCE the Adobe Digital Editions Software/App has been successfully downloaded, locate your email containing the LEAP EBOOK link. Below is an example of how link will look.

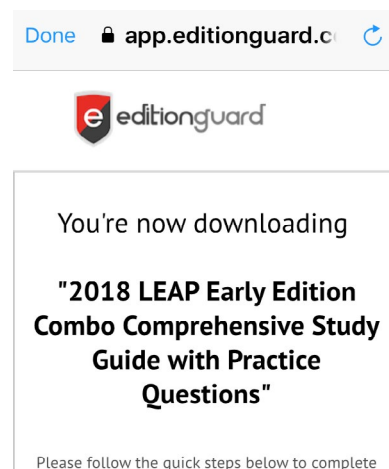

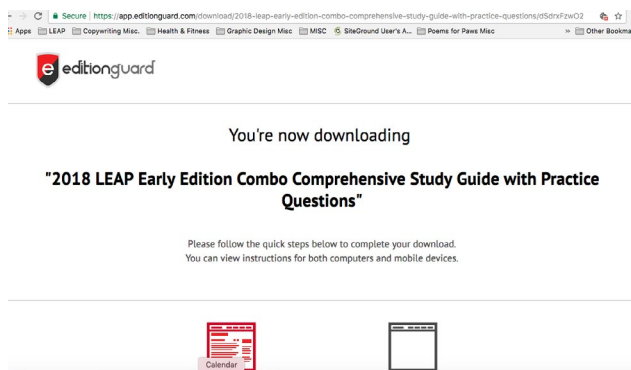

↓ ↓ ↓ ↓

<https://app.editionguard.com/download/2018-leap-early-edition-combo-comprehensive-study-guide-with-practice-questions/Lea1Pe1a1p>

Select entire link and copy and paste into browser window, starting with https and click “ENTER”

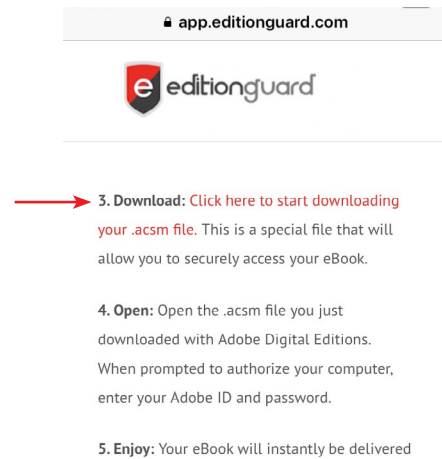

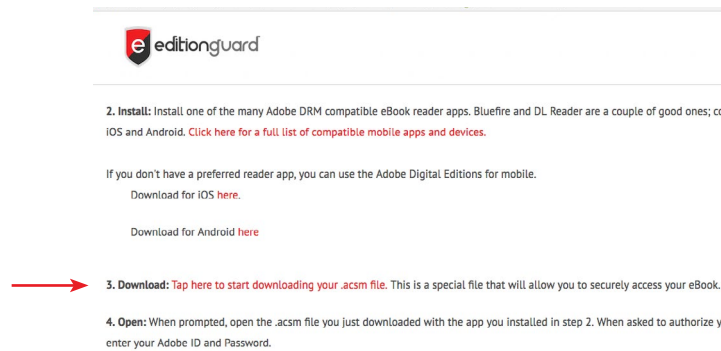

If ADE has been downloaded correctly, you should see a screen similar to these examples.

NOTE - If you do not see your eBook in the library check and confirm you have authorized Adobe Digital Editions (ADE) on your device.

*On PC/MAC - Look under HELP tab, Authorization Information. On iPhone or iPad check under settings. First time using ADE, you will need to enter your username and password.

< Settings Authorize

Authorize Your device

Authorizing your device enables you to:

- Easily transfer Adobe DRM-protected items between multiple devices
- Read Adobe DRM-protected items on computers or mobile devices.
- Restore your content from backup whenever you need to re-install the OS.
